Register interest in our Intaglio 5 week course running some time in September and October by emailing us. Spend 5 weeks getting to know all the different processes of Intaglio printmaking from etching, dry point, soft ground, hard ground, aquatint and sugar lift. We will look at the different qualities of the different metals used such as copper, zinc and aluminium. £275. All Levels

Open Access: We will trial Open Access on predominantly Mondays, Tuesdays, Fridays and some Saturdays but are open to suggestions. Request a date using the booking form on our website, by asking Jack or Emily or emailing marketplaceprintstudio@gmail.com
